

Making a big splash

...by not making one.

The Cheertainer allows you to easily fill and dispense for any number of food and beverage applications—without foaming or splashing. Its gusseted, form-fitting multi-ply bag gives you the flexibility and storage benefits of a bag-in-box with the “shelf-life” of a rigid container.

For more information on Cheertainer, visit our Web site at www.cdf1.com or check out the Cheertainer in person at the following shows:

NRA, May 17-20, booth #9549;
Pack Expo Mexico, June 24-27, booth #736;
