

SOUTH SHORE HOSPITAL  
BUSINESS LEADERS' CIRCLE

# Care Givers

You don't need to be trained in medicine to contribute to the health and well-being of the people in our region.

The generous businesses in our Business Leaders' Circle know that their charitable contributions to South Shore Hospital help expand services that benefit our community. Their corporate support helps fund programs such as trauma care, cardiovascular services, neonatal intensive care, and home health care. We are grateful for their generosity.
